## **Purrinn Cats Hostelry - Dry Cat Food Comparison Chart**

some information from http://www.nutritionanalyser.com/food\_composition/

Keep in mind that a food with several kinds of plant/grains listed lower on the label may have as much total plant/grains as a product that has one or two listed high on the label, and that meatMeal and meatByProducts often contain indigestible non-protein parts of the animal. Check out this web site: <a href="http://www.petfoodratings.net/">http://www.petfoodratings.net/</a>

Follow the dietary recommendations from a knowledgeable veterinarian to prevent nutrition-induced disease in your cat
